LOS ANGELES: STRUCTURE OF A CITY GOVERNMENT

Book Request Information

Thank you for your interest in *Los Angeles: Structure of a City Government*, a book published by the League of Women Voters of Los Angeles, written by Raphael J. Sonenshein, Ph.D., and produced and distributed free of charge through a generous grant from The John Randolph Haynes and Dora Haynes Foundation.

Originally written by the League in 1964, this fifth edition of the book has been largely restructured and expanded. It is designed to help residents, city officials and employees, business people, students, activists and other interested parties understand and interact with the government of our nation's second largest city.

Because there is great public interest in the book, and we have a limited number to distribute, we hope you will be realistic in the number you request. We are interested in your plans for distributing and using it. Toward that end, anyone who requests copies must complete and return the enclosed form via:

- MAIL: League of Women Voters of L.A.; 3250 Wilshire Blvd., #1005, Los Angeles, CA 90010
- FAX: (213) 368-1615
- EMAIL: ad@lwwlosangeles.org

Please note that books can be picked up at the League office or you may contact the office to make arrangements for the shipment of the book at your expense.

We hope you will find the book informative, that it will help you navigate through the hallways of Los Angeles city government, and that it will encourage you to become involved in the life of our great city!

Sincerely,
